COMPANY SUMMARY

Excellence Contractors DBR LLC. is a dynamic, minority owned and Georgia based Roofing Company. A company that started as a small venture has now evolved into a full-service Commercial and Residential Roofing Company. We specialize in Residential Roofing Installation, Commercial Roofing Installation: Metal, TPO & PVC, Fire Restoration, Siding Installation & Remodeling.

As a licensed Commercial and Residential roofing contractor, we had become the first choice for thousands of property owners looking for high level of service and outstanding work. Excellence Contractors Group specializes in all phases of the roofing process and offers the finest contractor and consulting services. From commercial roofing replacement and residential roof repair, to assistance during meetings with insurance providers/agents during insurance damage claims. There is no job too big or too small that we can't handle. Our professionals are dedicated to serving your needs in a timely manner, with an emphasis on quality craftsmanship, as well as a commitment to excellence. We pride ourselves in being a "one-stop contractor" in the roofing industry.
